OPORTUNIDAD DE INTERNADO/COOP

Company: Texas Instruments

Job Title/Internship/COOP:

Finance, Accounting & Operations Intern

Job Description or Minimum Requirements /Internship/COOP:

As a global semiconductor company operating in 35 countries, Texas Instruments (TI) is first and foremost a reflection of its people. From the TIER who unveiled the first working integrated circuit in 1958 to the more than 30,000 TIers around the world today who design, manufacture and sell analog and embedded processing chips, we are problem-solvers collaborating to change the world through technology. Put your talent to work with us – change the world, love your job!

About the Job

TI has a dynamic co-op program for undergraduate and graduate students looking for exciting careers in finance, operations or management accounting. The six-month program provides invaluable experience working in the fast-paced high-tech industry. Our interns go right to work! You will be a contributor, not a trainee, as you become familiar with the company's business systems and methods of operations. We offer two co-op terms. The first term is January through June and our second term is July through December. Assignment locations will be Dallas, TX.

Put your talent to work with us as a Finance, Accounting, and Operations Intern – change the world, love your job!
